Cancelling within the first 14 days

If you cancel your policy within 14 days of the purchase date or the date at which you receive your documents (if this is later) then:

- If your policy has not started, we'll refund your full premium minus a £20 cancellation fee.
- If your policy has started and you have not made a claim, we'll refund you minus a deduction for the time on cover (calculated as a proportion of the annual cover based on the insurers cancellation terms).
- If your policy has started and you have made a claim it is likely that none of your premium will be refunded.
- If you purchased optional extra products and cancel your main insurance policy, any optional extra products purchased will also be cancelled with a full refund, provided you have not used the product or claimed.

In all cases our cancellation fee is as set out above will apply.

Cancelling after 14 days

If you want to cancel your insurance policy after the first 14 days then the cancellation will be subject to the insurers published cancellation terms in determining what, if any, refund is provided. These cancellation terms can be found in the Insurance Product Information Document (IPID) and/or policy terms and conditions and we recommend you read this carefully to ensure you understand what terms will apply. If you have made a claim, it is likely that none of your premium will be refunded.

In addition to the insurers terms our cancellation fee will apply, the fee for setting up the policy will not be refunded and any discounts which were applied to the original premium will be deducted on a pro-rata basis. We will also retain a proportion of the commission we received for arranging your policy.

In the event of cancellation of your main insurance policy after 14 days, any optional extras you have purchased with your insurance will be cancelled at the same time (whether or not they are included in your main policy or covered under a separate policy), and their premiums will not be refundable.

If your policy start date or renewal date is on or after the 28th June 2024 and you have purchased RAC Breakdown Cover, you will receive a pro-rata refund of premium if no claims have been made in the event of cancellation of your main policy

Refunds

If you are entitled to a refund for any reason after your policy has started or after the expiry of 14 days, we will only provide this where the amount due to you is greater than £10.

Policies cancelled by us or the insurer

If your policy is cancelled by us or the insurer, for reasons such as (but not limited to) misrepresentation, failure to disclose or failure to make payment, we will give you 7 days' notice of the cancellation. The cancellation will be treated in line with the terms above.

Avoidance of Contract

Where we are instructed by your insurer to avoid the contract of insurance from inception, we will retain the arrangement fee or £25 admin charge (whichever is greater) to cover our administration costs.

Paying by Direct Debit

If you choose to pay by Direct Debit, you will be taking out a premium finance arrangement which is financed by Close Brothers Premium Finance (CBPF). We receive commission from the finance provider for introducing you to them and will be pleased to provide this information upon request. CBPF will send you a welcome pack which will include a credit agreement. In assessing your application CBPF will search the public information a credit reference agency holds about you. The credit reference agency will add details of the search to their records whether or not the application for credit proceeds. This and other information may be used to make credit decisions about you and to undertake checks for the prevention and detection of money laundering.

When paying via Direct Debit, you will be responsible for paying the monthly instalments as they fall due. In the event of any due payment not being made, the overdue payment must be made immediately. A missed payment charge will be incurred for any failed Direct Debit payments. If the payment is not received within 7 days of the default, we will commence the cancellation procedure in accordance with the policy conditions.

If you pay for your insurance policy premiums by monthly direct debit and have a claim, you are required to continue paying your monthly direct debits or settle the outstanding balance in full. Failure to do so may result in the insurer exercising any rights it has including the possibility of any claim not being settled by the insurer until payment for the policy has been received in full.

Automatic Renewal

To make the renewal process easier we may offer you the option to arrange for your policy to renew automatically. Where this is the case, the payment for the policy will be taken by the same method as the previous year and we will always write to you before the renewal is due to confirm the policy is due to renew automatically and give you the chance to cancel the renewal. Where your policy is set-up to automatically renew this will be confirmed in your welcome and/or renewal pack and you can opt out at any time by contacting us.

Receiving your Documents

We are committed to reducing our carbon footprint so our standard practice is to e-mail your documents to you, however, documents can be issued by post if required, just let us know.

Handling Money

We act as agent for the insurer for the collection and payment of your premiums including all optional additional products you choose to purchase. This means that your premiums are treated as being received by the insurer when they are received by us. Any premium refund is treated as being received by you when it is actually paid to you. We will not pay you the amount of any interest that we earn from investing your money before paying it to your insurer.
